THE BIOCHEMICAL SOCIETY

The Biochemical Society exists to advance the science of biochemistry through meetings and publications. Several meetings a year are held, each at a different place; original papers are presented and special topics are discussed at symposia and colloquia.

OFFICERS AND COMMITTEE: 1986–1987

**Chairman**
H. M. Keir, F.R.S.E.

**Committee**
H. Baum*§
R. J. Beynon
D. N. Brindley
C. J. Coulson
A. Crafts-Lighty
J. De Bellerocche
S. Doonan

**Treasurer**
B. Spencer

**Ex officio Member of Committee**
E. D. Saggerson
P. G. Strange
I. P. Trayer
A. J. Turner††
R. T. Walker

**General Secretary**
R. H. Burdon, F.R.S.E.

**Meetings Secretary**
A. D. B. Malcolm

**Representative of Group Secretaries**
D. Fisher††
R. B. Freedman
G. G. Lunt

**Publications Secretary**
C. I. Pogson

**Representative of Editorial Board of the Biochemical Journal**
M. J. Morgan

**Representative of Professional and Educational Committee**
L. J. Rogers

*Executive Secretary: G. D. Jones (7 Warwick Court, London WC1R 5DP)*

Persons interested in biochemistry are eligible for election as Members. Details of further facilities accorded to Members, and forms of application for membership, are available from the Executive Secretary, The Biochemical Society, 7 Warwick Court, London WC1R 5DP [01-242 1076 (4 lines)].

All-In-One Lab Glassware Kit
with Threaded $14/20 Joints

A complete set of reaction and distillation glassware with threaded $14/20 joints (grease is not necessary!)

Complete kit, in durable plastic case
Z16,689-8 $292.00

Kit Contents and Replacement Parts

Custom Work

Aldrich’s experienced scientific glassblowers make over 350 different products listed in our Catalog/Handbook. In the past, their skills in custom fabrication and repair-work served only our own Aldrich chemists.

Now this custom service is available to you!

Our glassblowers are well-equipped to fabricate and repair:

- flasks up to 100 liters
- industrial process glassware
- silvered/evacuated apparatus
- distillation systems
- glassware for lab and production chemists
- amberized glassware

If you need glass apparatus made to your specifications — or have broken glassware that might be less costly to repair than replace — let us know. Simply send a detailed drawing of your requirements to:

The Aldrich Glass Shop
P.O. Box 355
Milwaukee, WI 53201 USA

Please include your telephone number. We will call you promptly to discuss your request.

Of course, you can expect the same fine quality and competitive prices that are hallmarks of the specialty glassware in the Aldrich Catalog/Handbook.
