THE MEDICAL RESEARCH COUNCIL OF IRELAND

The Medical Research Council of Ireland invites applications from suitably qualified persons for the position of WHOLE TIME BACTERIOLOGIST to work in conjunction with the chemists already employed by the Council in research into the chemotherapy of tuberculosis.

Applicants must be medically qualified and have had wide research experience. Some experience of clinical medicine is considered desirable but not essential.

The salary scale is £1300-£1500 per annum. A suitable pension scheme will be arranged. The appointment will be made for one year in the first instance.

The Medical Research Council of Ireland is prepared to consider applications for the following appointments:

TWO SENIOR WHOLE TIME RESEARCH FELLOWSHIPS. Salary scale £1000-£1200.

FOUR JUNIOR WHOLE TIME RESEARCH FELLOWSHIPS. Salary scale £500-£700.

In the case of the Senior Fellowships, applicants must be medically qualified and have had considerable experience of research work.

Fuller information in regard to the above appointments may be obtained on application to
